No searching for a parking place downtown, no parking tickets, no stress!

Let the new **Fast Ferry Connector** take the worry out of overnight parking and finding a parking space in Town.

Going or Coming – Riding is Easy!

- Direct service to and from the 2 Fairgrounds Road Park & Ride Lot to the Hy-Line and Steamship Authority fast ferries.
- Convenient pick up and drop off locations at the Hy-Line and Steamship Authority.
- Connect easily with other WAVE routes at the Greenhound Stop on Washington Street or at the Whaling Museum stop on Broad Street.

Buses operate daily May 22 to October 13, 2014 and travel between the Park & Ride Lot at 2 Fairgrounds Road and the Hy-Line Cruises and Steamship Authority fast ferries.

Bus schedules are timed to meet each arriving and departing fast ferry throughout the day from 7:00 a.m. until 8:00 p.m.

The Public Parking Lot on Washington Street is no longer available for overnight parking. The Town is also exploring other options to further restrict overnight parking in the downtown area starting this summer.

The new Connector service is designed to make it easy for fast ferry patrons to park overnight at a convenient and free location, out of Town.
